USHONAJI WA NDOTO KUBWA
SAVE A GIRL SAVE A GENERATION

I sheillah Adisi aim 25 years old and I am a mother of one daughter. I appreciate this project For taking me through this project because I sheillah I had nothing to do in my life. This project has teach me many things. Aispite all challenges I Congragulate my teacher Rosemary for his effort on me. She teaches me many things like;

- Drafting
- Cutting the cloth → Skirt, Dress, 6piece skir
- Measuring body
- Reading tape measure well
- Discpline
- Patience
- Honest

Through my haid work I have learn things ~~which~~ which I can do myself without supervision like

1. Straight skrit
2. 6 piece skrit - nico na idiea kidogo
3. Off shoulder dress - not understood well
4. Shrit - Not understood.
5. Straight dress - Well done. no supervision
6. Circular dress - Will done no supervision
7. Palazo - Not understand.

So a requst my teacher those that I have put ✗ star mark take not on that. Thanic u for this project and the owner who bring this project. Hear I say thanic u so much be blessed.

TO: SAVE A GIRL SAVE A GENERATION.

I Teresa Akinyi I appreciate where Iam today because of this blessed organisation before I knew nothing about fashion and design but now I know how to make round skirt, and full dress although I was a slow learner in class am requesting for another chance so that I can go father with my learning,

Life was up and down being I was a single mother am requesting the organisation to support me financially to open a business to support me with my child.

The organisation was good therefore with humble request please go on supporting a girl child for a better future. Thank you for your support caring you have provided for me may God bless you. This organisation. Thank you.

Yours sincerely,
Teresa Akinyi
